BASIC SKILLS COURSES (FVU)

ADULT EDUCATION FOR PEOPLE OVER 25 (FORBEREDENDE VOKSENUDDANNELSE)

Target group: age 25 or older - with exceptions.

Subjects:

- **Danish** (Basic skills), level 1 - 4
- **Math** (Basic skills, in Danish) level 1 - 2
- **Digital** understanding (Basic skills, in Danish or English) level 1 - 3
- **English** (Basic skills) level 1 - 4
- **Start** (Basic language course for adults with Danish as second language)

Duration: Approx. 30-60 hours per level. Digital understanding and English only 20-30 hours per level. Requirements for Digital learning and English: Participants need to be employed in the public sector or at a private company. Requirements for Danish, Math and Start: Participants need to have a sufficient level of Danish.

Payment: No Fee. SVU og SU if eligible. (The SU/SVU scheme offers course applicants the opportunity to receive an income, while being away from work, to participate in specific types of education)

Location:

- Study at the school (HF & VUC København Syd), either at the school building in Hvidovre or in Amager.
- Study at the work place

DIGITAL CITIZENSHIP IN DK

Learn to navigate the Danish civic websites and services.

- What is the difference between State, Regions and Municipalities?
- Digital "Citizenship"
- How do institutions, governmental associations and local associations co-relate

DIGITAL PARENTHOOD IN DK

Parenthood in Denmark – 3 workshops including network establishment.

- How to communicate with teachers and parents
- Help with homework
- Participation in school activities

START - WORKPLACE DANISH

Do you have a basic Danish, but want to improve your language skills further? You'll get a better understanding of your work place or job training. And you'll learn how to write simple job applications.

ENGLISH - WORKPLACE ENGLISH

Do you need better English language skills to improve communication at work? You'll be taught words and sentences most typical for the type of business, you work at.
